Middletown family practice ct

Introducing MyChart E-visits, a convenient option for non-urgent medical issues. Fill out a questionnaire in MyChart. Learn more. Effective January 1, 2021, the Centers for Medicare and Medicaid Services (CMS) has created a final rule establishing requirements for hospitals operating in the United States to establish, update, and make public a list of their standard charges for the items and services that they provide under section 2718(e) of the Public Health Service Act. These actions are necessary to promote price transparency in health care and public access to hospital standard charges. By disclosing hospital standard charges, we believe the public (including patients, employers, clinicians, and other third parties) will have the information necessary to make more informed decisions about their care. We believe the impact of these final policies will help to increase market competition, and ultimately drive down the cost of health care services, making them more affordable for all patients. Updated - 1/1/2025 To the best of its knowledge and belief, this hospital has included all applicable standard charge information in accordance with the requirements of 45 C.F.R. §180.50 and the information encoded in this machine-readable file is true, accurate and complete as of the date indicated in this file Our Middletown team is proud to offer comprehensive family medicine care to the entire community. We are conveniently located next door to Middlesex Hospital, and our expert doctors provide a wide range of services. For more information about our services, other locations, membership in the Mayo Clinic Care Network and much more, click here. Middlesex Health Family Medicine also has offices in East Hampton and Portland. Middlesex Health Family Medicine - Middletown is located at: 90 South Main Street, Middletown, CT, 06457 Copy address to paste into Text, Email, App of choice. Please contact the Human Resource department on 860-358-6384 or 860-358-8749. Alternatively, you can email benefits@midhosp.org. There are three main times when you can enroll for benefits: As a new hire - usually, within the first 30 days from your hire date. Each year, Open Enrollment is usually in late October/early November. Qualifying life events - such as marriage, divorce, birth, adoption, or a change in employment status. With a qualifying life event, please notify benefits@midhosp.org to advise them of any changes to your elections within 31 days of the event. Where Complete your benefits enrollment in Infor Employee Space, then submit it to Human Resources/Benefits. Your benefits will become effective on the first of the month, 30 days from your hire date. For example, if you were hired on October 12, your insurance coverage would start on December 1. You can view your current elected benefits in Infor Employee Space. No, your decisions will apply for the following benefits year, which runs from January 1 through December 31. You must review your benefit elections and circumstances for each open Enrollment to ensure you are covered appropriately for the year ahead. However, you can make changes if you experience a qualifying life event (such as marriage, divorce, birth, adoption, or a change in employment status). With a qualifying life event, you must declare the event and make any associated changes to your elections within 31 days of the event. Carrier information can be found on the relevant benefit page. For example, the Dental page contains Information and the contact details for the Dental carrier Delta Dental. If you leave Middlesex Health, your benefits end on the last date of employment or contracted hours. If you are retiring, your benefits end on the previous day of the month you retire.
