As an FNB customer, it is very important to know how to get a stamped bank statement from your online banking account. A stamped bank statement acts as proof of funds and can be used for several purposes such as visa applications, loan applications, and even as proof of income for employment purposes. Index

The first step to getting your stamped bank statement is to log in to your FNB online banking account. If you are not already registered, you will need to register for online banking before proceeding.

Step 2: Click on the 'Accounts' tab

Once you have logged in, click on the 'Accounts' tab to view a list of all your FNB accounts. Select the account for which you want the bank statement.

Click on the 'More' button to see more options for the selected account.

Step 4: Click on 'Account Statement'

From the list of options that appear, click on 'Account Statement.'

Step 5: Select the date range

Select the date range for which you want the bank statement. You can choose from predefined periods such as the last three months or set a custom date range.

How Do I Change My Banking Details With Sassa

READ

Step 6: Select the statement format

You can choose between an electronic statement or a physical statement. For the purpose of getting a stamped bank statement, you need to select a physical statement.

Step 7: Choose your delivery method

Choose your preferred delivery method for the physical statement. You can either collect it from an FNB branch or have it mailed to you.

Step 8: Confirm and submit your request

Review your request and ensure that all the details are correct. Click on 'Submit' to complete your request.

Note: It is important to note that there may be a fee for getting a stamped bank statement from FNB. The fee may vary depending on the delivery method chosen.

In conclusion, getting a stamped bank statement from FNB online is relatively easy and straightforward. By following these steps, you can easily get a stamped bank statement that can be used for various purposes. However, it is important to ensure that all the details on the statement are accurate before submitting it.
