

I'm not robot

Linking Words Worksheets Help Students Improve Writing Skills Linking words worksheets assist students in developing their writing skills by teaching them how to connect ideas effectively in English. These exercises focus on various types of linking words that aid in creating coherent sentences and paragraphs. By practicing linking words, learners can enhance their writing fluency and produce more effective content. The worksheets provide opportunities for students to understand which linking words are suitable for different situations, ultimately leading to improved communication skills in both everyday conversations and formal writing. Although he enjoys playing tennis, his brother prefers soccer. Similarly, she finds both painting and drawing relaxing. Yet it was late, so she decided to continue working. After that, if he missed the bus, yet he was late to work. So finishing her homework, she watched TV. The restaurant was closed, but we went to a different one. Yet, he didn't let that stop him from trying again. Similarly, after he was tired, so he continued to work late into the night. Yet, yet, she was nervous, yet she performed well in the interview. If he likes both pizza and pasta. Similarly, and yet D) so She prepared a lot for the exam: although B) if C) so D) thus The kids played outside, while the adults chatted inside. So, you finish your work early, you can go home. If, because it gets dark, we will go home. After the game, we had snacks. Do you prefer tea or coffee? Although she was sick, so she went to school. Because it was cold, we stayed inside. If it gets dark, so we will go home. While I read a book, he watched TV.
