While she initially struggled with the move, the staff and students continued to love on her and she came around to embrace her experience there. She got a quality education that was well-rounded with fun sporting and social opportunities, but most importantly strengthened her faith. She was accepted and received a lot of scholarship money at every college she applied to. OCA prepared her well as she is currently thriving in her college classes. - Posted by Parent - Thericos 5/7/24/2014I have two children that have graduated from OCA. Both have gone on to major universities with scholarships. More importantly they both have a healthy and active relationship with Jesus. My third child is at OCA now, and I would do whatever is necessary to keep him there. Top notch education, fantastic atmosphere, accomplished athletic programs, and Christian Worldview. Wow!! It has become more than a school It is our family. - Posted by Parent - tcloe 5/7/12/2013I have been a student at OCA since k-3.
