The best mode of doing so is by slips of paper. The Articles of War require a majority in all cases, and in cases of sentence of death two-thirds. It is not necessary to find a general verdict of guilt or acquittal upon the whole of every charge. The court may find the prisoner guilty of part of a charge, and acquit him of the remainder, and render sentence according to their finding. This is a special verdict.Matched CategoriesDiscoveryJudgmentLawObjectBritish National CorpusSpoken CorpusFrequencyRank popularity for the word 'finding' in Spoken Corpus Frequency: #1950Written Corpus FrequencyRank popularity for the word 'finding' in Written Corpus Frequency: #1886Nouns FrequencyRank popularity for the word 'finding' in Nouns Frequency: #1028Usage in printed sourcesFrom: How to pronounce finding?How to say finding in sign language?NumerologyChaldean NumerologyThe numerical value of finding in Chaldean Numerology is: 9Pythagorean NumerologyThe numerical value of finding in Pythagorean Numerology is: 9Pablo Picasso-If everybody is looking for it, then nobody is finding it. If we were cultured, we would not be conscious of lacking culture. We would regard it as something natural and would not make so much fuss about it. And if we knew the real value of this word we would be cultured enough not to give it so much importance.Pontus Skoglund:We cannot say much about the story of how this genetic link came about, this finding just raises more questions we need to answer about American history.Nick Cunningham:That size category has never been a volume market, the issue is whether there's enough volume to make an economic plane, and I guess we're in the process of finding out.Rebecca Puhl:These findings really provide us with a compelling reason to be targeting not only weight stigma from doctors or health care professionals, but also finding ways to help people reduce the self-blame of stigma.Brad Tucker:The reason this find is important is we don't actually know how our solar system was formed, there really is a mystery out there, we have a poor understanding of it because we keep finding new objects like this, and if we don't understand how our solar system formed, we don't know the ingredients that are required to make an earth. And the ultimate question -- what is the boundary of our solar system ?
