Currently, you cannot delete your Rockstar Social Club Account unfortunately, even. We will show you what you need to do instead. There used to be a feature that you were able to your Account directly delete. To do this they had to a Link to access and then log in. Unfortunately, the Service is disabled for some time. Your Account you can delete but still. Call the help-website of Rockstar on, a request to Rockstar Support to start. Enter your Social-Club-Mail in the field "Your Email address". Under subject, you can write, for example, "delete my account". In the case of "platform-Nickname" you only have to enter your user name. They call in the "description" is the date of birth specified in the Social Club. Thus, the Support know that you really want to delete your own Account. Finally, enter the Captcha and confirm the request. You will receive a confirmation from Rockstar via E-Mail. Unfortunately, you can't transfer your game saves to a new Account. You are so aware that you will lose all the DLCs, game scores and achievements. Support-submit a request If you have forgotten your password, you do not need to delete your Account the same. In this case, you can just make a new password request. I have a question what the hell is calling a website? like I dont understand lol Reddit and its partners use cookies and similar technologies to provide you with a better experience.
