## Pinnacle family practice

Below is a list of insurance companies with which Pinnacle Family Practice participates, however it is crucial for each patient to verify their individual coverage with their insurance provider as every plan is unique. Patients are responsible for all fees related to non-covered services, and it's recommended that they contact their insurance carrier prior to the visit to confirm coverage. At Pinnacle Family Practice, we prioritize giving our patients quality care in a warm, welcoming environment. Our services encompass a wide range of medical needs, including routine check-ups, vaccinations, and chronic condition management. We also offer specialized services like sports physicals, travel consultations, and biopsies for skin lesions. In addition to these, our team provides screenings for various conditions, such as tuberculosis, pregnancy, and STDs, along with counseling for smoking cessation and birth control. Please note that insurance coverage may vary for each service, so it's best to contact your provider to discuss your specific policy. If you're seeking a refund for outstanding credits on your account, follow these steps: 1. Call Pinnacle Family Practice at (703) 429-2901 and select option 3. 2. Leave a voice message with your full name, date of birth, contact information, reason for requesting a refund, and estimated refund amount. Once acknowledged by the billing staff, your account will be reviewed in detail before processing the refund. Keep in mind that if other outstanding balances exist on your account, the requested refund will be reduced accordingly. Refunds typically take up to 30 days to process and will be issued as a check. For your convenience, we've made our forms available in fillable PDF format. Please complete these documents prior to your office visit and bring them with you.
