Our team will guide you through the options and set up access according to your organisation's needs. You can also book a demo to see Pass Functional Skills in action! To improve your organisation's pass rates, we offer functional skills resources. When using our sites, services, or tools, cookies may be used for storing information to provide a better experience and for marketing purposes. The Functional Skills Level 2 qualification is equivalent to GCSE grades 9-4. This level will help you surpass university selection criteria and job requirements. Here, you can find functional skills English past papers assessed by Pearson Edexcel Exam Board. The assessment includes reading, writing, speaking, listening, and communicating skills. Reading is tested through a multiple-choice test, short open response questions, and medium open response questions. Writing is tested through two tasks with 42% of marks dedicated to spelling, punctuation, and grammar. The first revision resource tip is to be aware of the 2019 reforms in Functional Skills English. The changes affected the course syllabus and final test. Our advice is to use recently published revision resources that focus on spelling, punctuation, and grammar. Different awarding bodies offer functional skills English level 2 courses, such as AQA, City & Guilds, Edexcel, OCR, and Pearson. We recommend using revision resources specific to your awarding body. Online resources for Functional Skills English Level 2 revision include online quizzes, worksheets, and past papers from various awarding bodies such as BBC, Skills Workshop, AQA, OCR, and NCFE. For those starting a Functional Skills English Level 2 course after September 2019, "Functional Skills English: Level 2 - Study & Test Practice" is a comprehensive guide written for the reforms. It can be purchased from their website. Having good English skills is essential for many jobs; however, without an English GCSE, it may hinder job prospects. Functional skills qualifications can boost confidence and improve communication skills in everyday life or work. Courses focus on developing reading, writing, and listening skills through practical learning experiences in small classes with supportive tutors who tailor teaching to individual needs. These courses are free for eligible individuals, including the unemployed, job seekers, and those on low wages. To progress towards Functional Skills English Level 2 qualification, improving writing and reading skills as an adult can open doors to new opportunities.
